

Inventory Alcohol Marketing Regulations

With this form STAP, the Dutch Institute for Alcohol Policy, would like to ask you to fill out information regarding alcohol marketing regulations in your country.

First, we will ask you to give an overview of the different alcohol marketing regulations that exist in your country. Next, some general questions about time bans and the monitoring system in your country will follow. Finally, we will ask you to fill out more specific questions per regulation. We have included separate Regulation Forms for this part of the questionnaire. For each alcohol marketing regulation that exists, please fill out a separate Regulation Form (please let the number of the form correspond with the number in the table on page 1 of this questionnaire, where you summarized all existing regulations).

Thank you very much for participating and providing the data!

Comments on Regulation No. 4: Two comments that were added to the Guidelines:

- The entire branche is obliged to register catering promotions with STIVA. One out of 10 catering promotions are being checked.
- Since May 2005 a new system for financial penalties has been introduced. After a first violation with the code, the producer or importeur receives a warning. Next, a financial penalty of 1500 euro can be given. If another violation is encountered, the fine will be raised up to 5.000 euro.
